JOHN ROMAR Z. FRANCISCO

Pasay City, Metro Manila, Philippines • romar.zaratan@gmail.com • +63 976 421 9096

4th-year IT student specializing in web and mobile development, with a strong interest in applied AI and computer vision, seeking an internship.

Education

FEU Institute of Technology — Manila, Philippines
BS in Information Technology, Specialization in Web and Mobile Application — Expected Graduation: 2027

Projects

iSpyWorld – Mobile Learning App — *Developer*

- Developed a mobile learning app aimed at improving literacy
- Integrated YOLOv11n object detection (via Ultralytics) and speech coaching as the core learning features

WasteWatch – Waste Bin Monitoring Simulation — *Developer*

- Built a C++ console application that simulates waste bin fill levels and triggers alerts when a bin needs collection
- Implemented a user interface and reporting feature to log and review bin status

Leadership & Activities

Alliance of Information Technology Students — 2024 – Present
Member

FEU Tech x OpenAI Campus Launch — *Participant*

Build Your Cloud Arsenal: A Deep Dive into GCP Compute Services — *Participant*

Certifications

CCNA: Introduction to Networks | Cisco	2026
Information Technology Specialist in Python | Certiport	2026
Cisco Certified Support Technician Networking | Cisco	2025
CCNA: Switching, Routing, and Wireless Essentials | Cisco	2025
NDG Linux Essentials | Cisco	2025
CCNA: Enterprise Networking, Security, and Automation | Cisco	2025
PMI Project Management Ready | Project Management Institute	2025
DevNet Associate | Cisco	2025

Skills & Interests

- **Programming Languages**: HTML, CSS, Python, JavaScript, PHP, Java, Kotlin, C++
- **AI & Computer Vision:** YOLOv11n, Ultralytics, Python
- **Databases**: MySQL, SQL, Supabase
- **Frameworks**: Laravel, CodeIgniter
- **Deployment & Hosting**: Railway, cPanel, GitHub Pages
- **Tools**: Git, GitHub, Figma, Visual Studio Code, Android Studio
- **Soft Skills**: Teamwork, Adaptability, Creativity
- **Interests**: Applied AI and Computer Vision, 3D Modeling, Photography, Game Development
